

C-1000 High Speed Coin Sorter

The C-1000 is an upgraded version of the C-610+PRO series. It is a heavy-duty coin sorting and counting machine that can sort 6 different coin denominations at the same time as well as foreign coins by using its patented alloy sensor. Its ease of use and accuracy enables anybody to operate the machine with confidence.

FEATURES

- Simple to use with little or no training
